SOME HELPFUL TIPS FOR REGULARLY ASKED QUESTIONS.

General.

Always read the Schedule and enter the exact number and type of items required, if you are unsure always ask.

Horticultural.

All horticultural exhibits should be clean and free of any major blemish and displayed in an attractive manner. Root vegetables such as carrots, parsnips and beetroot should have the tops trimmed to about 3 inches and tied with raffia or soft twine. Onion top should also be trimmed and tied in a similar manner.

Domestic.

Preserves see general rule 17a.

All exhibits with the exception of preserves must be covered with cling film.

Where the schedule gives an open choice to the exhibitor do not use fish or cream in the exhibit as the temperature in the marquee may not be ideal for such items to stay fresh. (we do not want to poison the judge)

Victoria Sandwich must have a flat top without air bubbles and no cooling rack marks. It must have raspberry jam filling and the top must have a light sprinkling of caster sugar.

Cakes in general should be well risen and evenly baked, any fruit should be evenly distributed. No cooling rack marks.

Pastry such as quiche and apple pie should be cooked in a metal dish/plate and placed on a heated baking tray in the oven to ensure the base cooks thoroughly and is not soggy.

SHOW RULES (PLEASE READ CAREFULLY)

1. Rules and conditions will be strictly enforced and all matters not provided for in these regulations will be referred to the Committee whose decision shall be final.

2. Eligibility of exhibitors; on all questions regarding the eligibility of an exhibitor the decision of the Committee shall be final.

3. Exhibits must be the property of the exhibitor unless otherwise stated, all produce must have been grown by the exhibitor in his/her own garden or allotment for not less than two months preceding the show unless otherwise stated.

N.B. It follows from this rule that all exhibits should be entered in the name of the owner of the garden from which the exhibit came and he/she should sign the entry form in the place provided for the exhibitors signature. Exhibits staged by a professional gardener but belonging to his/her employer should be entered in the employers name.

4. Right to inspect gardens. In order to be satisfied that the conditions governing competitive exhibits are fulfilled, the Committee reserves the right to visit by commission, before or after a show, gardens from which plants, flowers, fruit or vegetables have been entered for competition.

5. Number of entries per household. Unless otherwise stated in the schedule, two or more persons may not compete separately in the same class with produce from the same garden and/or allotment. This ruling does not apply to classes such as floral arrangement where exhibitors are allowed to use plant material which has not been grown by themselves. If members of a family wish to share the credit and prizes then the exhibits should be entered in joint names.

6. Acceptance of entries. The Committee reserves the right to refuse any entry and, in the event of such a refusal, it is not required to give any reason or explanation.

7. Constitution of an exhibit. Where a number or quantity of plants, flowers fruit or vegetables is specified in the schedule for a class, vase, dish or collection, neither more nor less than the number or quantity may be shown and an exhibit will be disqualified by any excess or deficiency. If before an exhibit is judged any excess or deficiency is noticed and considered to be the result of an accident and not of an attempt to deceive, the referee, steward or secretary may either give the exhibitor (if at hand) an opportunity to correct the mistake or correct it himself/herself but the officials shall not be under any obligation to do so and any disqualification resulting from an excess or deficiency shall be the exhibitors responsibility. The judges may not correct any error but they may direct the attention of the referee, steward or secretary to it.

8. Constitution of dishes/vases. Every dish/vase must consist of one cultivar (variety) only, unless mixed dishes/vases are permitted by the schedule.

9. The ripeness of fruit. Apples, pears and gooseberries may be shown either ripe or unripe and all other fruits must be ripe, unless otherwise specified in the schedule. Over-ripeness will be regarded as a defect in any fruit.

10. Fruits classified as vegetables. The following, though botanically classified as fruits, are for the purposes of this show classified as vegetables: Aubergines, Beans, Capsicums (Sweet Peppers), Chilli Peppers, Courgettes, Cucumbers, Marrows, Mushrooms, Okra, Peas, Pumpkins, Sweet Corn and Tomatoes.

11. The size of pots. The diameter of a pot is the inside measurement, made as close to the top as possible.

12. Stems to reach below the water. In all classes where cut material is shown, all stems must reach below the water in the vase or other receptacle.

13. The naming of exhibits. All exhibits should be correctly named. Errors in naming will not disqualify the entry, but judges should regard correctness and clearness of naming as telling in favour of an exhibit in a close competition. If the exhibitor does not know the name of any cultivar (variety) the label should bear the words NAME UNKNOWN.

14. Exhibits not according to the schedule. Any exhibit which does not conform to the wording of the schedule (unless corrected in accordance with rule 7) shall be disqualified and a steward or judge should write on the entry card " Not according to schedule" (NAS) and add a factual note as to why it is marked NAS.

SHOW RULES continued

15. Only one prize in a class. No exhibitor may be awarded more than one prize in any one class unless that is specifically permitted by the schedule.

16. Prizes may be withheld. Any prize may be withheld or modified if the exhibits are considered unworthy of the prize offered.

17. Decisions. Judging will be carried out under the R.H.S., the W.I., the N.A.F.A.S 2015 Edition., or the N.D.S., Rules. The decision of the judges shall be final on the relative merits of the exhibits but the Committee reserves to the referees and to itself the decision on any other points in dispute. Judges will have the power to withhold any prizes where the entry is deemed unworthy, and to cut fruit and vegetables.

17a. Preserves. All Sweet Preserves (with the exception of Lemon Curd) must be covered with a new twist top only OR waxed disc and cellophane. Lemon Curd must only be covered using a waxed disc and cellophane. Vinegar Preserves (with the exception of Relishes) must only be covered with a solid vinegar proof top. All labels to include the main fruit used and full date, i.e. day/month/year. No commercial jars or lids i.e. named brands, will be acceptable. 18. Protests to be made in writing to the Show Manager, before 3.00 p.m. on the day of the show, to be accompanied by a £1.00 deposit which will be forfeited should the protest not be sustained.

19. All exhibits, personal property, etc., shall be at the risk of the exhibitors. The Committee will exercise all reasonable care to protect the property of the exhibitors but cannot accept responsibility or be liable for compensation for any loss or damage from any cause whatsoever. Should the show for any cause not be held, no exhibitor shall have any claim on the Committee. Exhibitors must collect exhibits at the end of the show (as stated in rules 22/23) or they will be sold.

20. Entries for the show to be made on the appropriate form and submitted not later than Wednesday 8th September 2021. Entrance fees must accompany the entry forms. Late entries will only be accepted at the discretion of the Show Manager.
